<https://www.nodai.ac.jp/english/graduate/agri/development/>

Students can start DDP from **NODAI** or UoR.

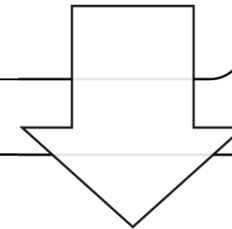

NODAI Pathway

Students can start DDP from NODAI or Reading.

Reading Pathway

First year:
at **Reading** from September to March (**7 months**).

First and second year:
at **NODAI** from April to September next year (**17 months**).
Submit one dissertation to both NODAI and Reading.

Admission Procedure

- Students wishing to participate in the DDP must be officially enrolled on Masters Programs of **NODAI** and **UoR** through the official admissions procedures.
- **NODAI pathway**: Pass the NODAI entrance exam (in July or January), and obtain an offer from Reading by the end of March.
- **Reading pathway**: After official enrolment at Reading, pass the NODAI online exam in November.

Benefits of Double Degree Program

- Time efficiency (two Master's degrees in two years).
- Higher employability.
- An invaluable opportunity to experience different cultures.
- Networking opportunity.

Tuition Fees

The DDP provides following discounts:

For NODAI pathway, 40% discount of Reading tuition fee.

For Reading pathway, 42% discount of NODAI tuition fee.
