

論文英語 I (2単位)

担当者氏名 畑中 勝守、下口 ニナ

◆学習・教育目標

This advanced course in English is designed to guide students through the processes of research writing and research methods needed for successful academic work at the graduate level. Through methodical practice, students will develop their ability to prepare summaries and oral presentations with clear and logical arguments which are grammatically and structurally appropriate. The semester offers lecture-style classes, in-class exercises and individual student-teacher conferences to assist each student.
