

2010 Entrance Examination for International Students

Schedule of Examinations

Faculty	Date of Examination	Place of Examination
Faculty of Agriculture	December 6 (Sun.), 2009	Atsugi Campus
Faculty of Applied Bio-Science		Setagaya Campus
Faculty of Regional Environment Science		
Faculty of International Agriculture and Food Studies		
Faculty of Bio-Industry		
Junior College of Tokyo University of Agriculture		

Applications and Examination Schedule

Application period	From November 2 (Mon.) to November 10 (Tue.), 2009 (postmarked November 10, 2009 acceptable)
Announcement of results	December 11 (Fri.), 2009, 9:00AM

Selection Method

University: Japanese (60 min.) English (60 min.) and Interview (in Japanese)

Junior College: Japanese (60 min.) and Interview (in Japanese)

Examination Fee: ¥30,000

Number of Students Accepted

All Faculties and Departments: To be announced

Department of International Bio-Business Studies offers an approximate student quota of five.

(For further information please ask the center for admission)

Qualifications

Students who have completed or expected to complete 12 years of school education by the end of March, 2010.

If you are not sure if your qualifications are satisfactory for the program, please feel free to consult personally with the Admissions Center.

Tuition

Program	Faculty	Department	First year's tuition (JPY)	
Undergraduate	Agriculture	Agriculture	1,383,400	
		Animal Science	1,443,400	
		Applied Biophilia	1,443,400	
	Applied Bio-Science	Bio-Science	1,493,400	
		Applied Biology and Chemistry	1,493,400	
		Fermentation Science	1,443,400	
		Nutritional Science	Major in Food and Nutrition	1,493,400
			Major in Administrative Nutrition	1,493,400
	Regional Environment Science	Forest Science	1,353,400	
		Bioproduction and Environment Engineering	1,353,400	
		Landscape Architecture Science	1,352,400	
		International Agriculture and Food Studies	International Agricultural Development	1,393,400
	Bio-Industry	Food Environment Economics	1,293,400	
		International Bio-Business Studies	1,293,400	
		Bioproduction	1,438,400	
		Aqua Bioscience and Industry	1,473,400	
Food and Cosmetic Science		1,513,400		
Business Science		1,296,400		
Junior College		Junior College	Bioproduction Technology	1,336,400
	Environment and Landscape	1,326,400		
	Brewing and Fermentation	1,358,900		
	Nutrition	1,359,400
