

The Regeneration Story of Senboku Newtown

3 Plaza of sunlight filtering through trees
Hillside Landscape plants,
wild cherry blossoms, maples, etc.

2 Regeneration Hillside Landscape

Concept Diagram

3. From Concept to Realizing

We have good ideas for Regeneration landscape design.

Design process:

- 1 Aria Management
- 2 Regeneration Hillside Landscape
- 3 Plaza of sunlight filtering through trees
- 4 Activity Landscape by facility manager
- 5 Universal Footpath

4. Regeneration Senboku Newtown

This landscape plans regenerate beautiful hillside landscape.

Original plants and animals will be coming back soon.

Wheelchair.

- 1 Aria Management
- Partner Ship and Collaboration of Citizens people
- Office worker
- Government officer
- Collage students
- Landscape Architect
- NPO staffs

Baby carriage, aged people are happy by nature-friendly and universal design.

We think regeneration hillside landscape extends to Senboku Newtown.

2. Concept Making

Decision Making of Citizens people, Handicapped people, Landscape Architect

④ Activity program by facility manager
Open cafe, Music event, harvest festival, etc.

⑤ Universal Footpath
Wheelchair, Baby carriage, aged people accessible footpath.
