

Post COVID-19 における  
学部における教育研究の連携に向けた  
Zoom による 2 大学間座談会

東京農業大学地域環境科学部  
学部長 小梁川 雅  
国際担当補佐 三原真智人

地域環境科学部では、2020 年度後期の間、毎月、海外の協定校や学部関連校の中から一校と Zoom で 2 大学間座談会を開催し、ポスト COVID-19 時代における地域環境科学部との教育・研究・社会開発等のコラボレーションについて、模索していきます。教員のみならず、大学院生や学部生の参加をお待ちしております。

参加校（候補）：

・海外協定校（候補）

Bosnia-Herzegovina: East Sarajevo University  
Cambodia: Royal University of Agriculture  
Mexico: Universidad Autónoma Chapingo  
Nepal: Agriculture and Forestry University

・学部関連校（候補）：

Germany: Osnabrück University of Applied Sciences  
Thailand: Khon Kaen University  
UK: University of the Highlands and Islands

座談会の内容：

1. 国際担当副学長、学部長 開会挨拶
2. 東京農業大学地域環境科学部の紹介
3. 海外協定校・関連校の紹介
4. これまでの連携実績の紹介
5. Post COVID-19 における連携の重点化
6. 教員、院生、学部生からの質疑応答
7. 閉会挨拶

## Post COVID-19

# Bilateral Roundtable Meeting for Faculty-Based Educational and Research Collaboration on Zoom

Faculty of Regional Environment Science,  
Tokyo University of Agriculture, Japan  
Dean Prof. Dr. Masashi KOYANAGAWA  
Assoc. Dean Prof. Dr. Machito MIHARA

The Faculty of Regional Environment Science, Tokyo University of Agriculture in Japan, will host a series of bilateral, faculty-based roundtable meetings focusing on Educational and Research Collaboration after the COVID-19 Era. These meetings are scheduled monthly from October 2020 through February 2021. Prior to each meeting, one of the universities listed below will be invited to participate.

Following the opening remarks, the educational and research fields from both universities are introduced as well as collaborative projects. Faculty members, Master's and Ph.D. course students, and undergraduate students from both universities are welcome to participate in the meeting.

### Invited partnership or collaborating universities (tentative)

#### Partnership Universities:

Bosnia-Herzegovina: East Sarajevo University  
Cambodia: Royal University of Agriculture  
Mexico: Universidad Autónoma Chapingo  
Nepal: Agriculture and Forestry University

#### Collaborating Universities:

Germany: Osnabrück University of Applied Sciences  
Thailand: Khon Kaen University  
UK: University of the Highlands and Islands

#### Meeting program

1. Opening ceremony with welcome and opening remarks
2. Introduction of the educational and research fields at the Faculty of Regional Environment Science, Tokyo University of Agriculture, Japan
3. Introduction of the educational and research fields in partnership or collaborating university
4. Introduction of former collaborative projects etc.
5. Discussion on priority field of collaboration after COVID-19 Era
6. Questions and answers from faculty member, Master and Ph.D. course students, and undergraduate students
7. Closing ceremony

That's all.
