

## Admissions to Graduate Schools for the 2026 Academic Year: For majors that use the English external exam

The majors that use the English external exam for the foreign language exam in the graduate school entrance examination are as follows. Please note that obtaining score certificates takes time, so please make preparations well in advance of your schedule.

**Red areas indicate information added or changed in the 2026 entrance exam.** For more information, please refer to the admissions information to be announced around April 2026.

Graduate School Course	Department	Course	Foreign language examination				English external test score requirements, etc.
			① TOEIC L&R score only	② TOEIC L&R score or Select from the written test	③ TOEIC L&R or Duolingo English Test	④ TOEIC L&R, TOEFL iBT or, IELTS Academic	Other matters (Whether there is a time limit for taking the examination)
Agricultural Science	Animal Science	Master's Course		○			Scores taken in the last four years are eligible. TOEIC L&R may be taken as either a public test or an IP test, but not online.
Applied Bioscience	Agricultural Chemistry	Master's Course	○				Only scores taken during and after university studies(if there are multiple scores, the highest score is acceptable for submission). TOEIC L&R may be taken as either a public test or an IP test, but not online.
	Nutritional Science and Food Safety	Master's/Doctoral Programs	○				
Life Science	Bioscience	Master's/Doctoral Programs	○				Only scores taken during and after university studies(if there are multiple scores, the highest score is acceptable for submission). TOEIC L&R may be taken as either a public test or an IP test, but not online.
	Chemistry for Life Science and Agriculture		○				
	Molecular Microbiology		○				
Agro-Environmental Science	Agricultural Engineering	Master's/Doctoral Programs			○		TOEIC L&R Both public test and IP test are acceptable, but online test is not acceptable. Scores must have been taken while in college and thereafter. (If there is more than one test score, the highest score is acceptable.) ※The maximum score is 785 or more, and the score less than 785 is converted.  Duolingo English Test Subject to scores received in the past 4 years If more than one score is submitted, the highest score is acceptable. ※A score of 100 or more is considered a perfect score, and a score of less than 100 is converted.
	Landscape Architecture	Master's Course		○			Scores must have been taken while in college and thereafter. (If there is more than one score, the highest score is acceptable.) TOEIC L&R: Both public test and IP test are acceptable, but online test is not acceptable.
	Rural Science	Master's/Doctoral Programs	○				Only scores taken during and after university studies(if there are multiple scores, the highest score is acceptable for submission). TOEIC L&R may be taken as either a public test or an IP test, but not online.
International Food and Agricultural Science	International Agribusiness Management	Master's/Doctoral Programs				○	The test to be evaluated is either TOEIC L&R, TOEFL iBT, or IELTS Academic, and there is no time limit on the duration of the test. TOEIC L&R may be taken as either a public test or an IP test, but not online. TOEFL iBT Home Edition is acceptable, but not ITP or PBT. IELTS academic paper and computer versions are acceptable, but not the online version. IELTS general training is not acceptable. Only one score from the same test should be submitted, but multiple scores from different tests may be submitted.

**For majors other than those listed above, the written examination is going to be administered as before.**
